## 'Youth 2047 & The Future of Work: Skills, Technology & Human Potential'

### About the Conference

CIBMRD is organising the 17th CIMC; Central India Management Conclave 2026 on 10<sup>th</sup> April 2026, focusing on the theme **"Youth 2047 & The Future of Work: Skills, Technology & Human Potential."** The conclave aims to provide a strategic platform for deliberation on how the youth of today will shape, adapt to, and lead the evolving world of work by 2047. As India marks 100 years of independence and sovereignty, this conference celebrates our journey of freedom, skills, innovations and human potential, inspiring a shared commitment to inclusive growth and sustainable national development for the future of our country

Rapid advancements in artificial intelligence, automation, digitalization, and emerging technologies are transforming industries, redefining job roles, and altering skill requirements. In this changing scenario, the conclave will address key issues such as future-ready skills, employability, entrepreneurship, leadership development, lifelong learning, and the balance between technological progress and human values. The event will also highlight the importance of creativity, adaptability, ethical practices, and emotional intelligence in building sustainable and human-centric workplaces.

The conclave will bring together academicians, industry professionals, corporate leaders, policymakers, researchers, and students to exchange ideas, share best practices, and discuss emerging trends. The programme will include keynote addresses, panel discussions, paper presentations, and interactive sessions, aimed at generating actionable insights and fostering collaboration between academia and industry.

The 17th Central India Management Conclave 2026 aspires to contribute to policy formulation, academic research, and workforce development, empowering youth as the driving force behind innovation, inclusive growth, and the future of work
