

Placement Report

Year 2021-22

CIBMRD has completed its final placement process for the batch 2021-22. Year turn out to be mix fortune for students for placement because they were more reluctant to opt for sales profiles which majorly was the case this placement season. Placement season in itself started very late than usual. However whatever recruitment happened recruiters have shown immense confidence in the exceptional capabilities of students of CIBMRD. This was evident from the fact that a companies offered coveted roles across the domains. The highest CTC offered was 7.8 Lacs per annum with an average and median CTC of 3.1 Lacs per annum. Many of our students, thanks to a very active IIC cell have started thinking of venturing into business. Some students got themselves placed outside the campus and made us feel proud. We are hoping to keep improving our placement record with each passing academic session with our efforts in the right direction.

My gratitude is due to our regular recruiters like HCL, TCS, ICICI, IIFL, India Mart, etc to name a few, who have shown consistent faith in the institute's value system. Also, with great warmth, I graciously welcome our new recruiters who have joined us this season and look forward to an everlasting symbiotic relationship with them. The story of a successful placement season is incomplete without due acknowledgement of the laudable and unwavering support of the distinguished alumni of the institute and this year was no exception. Last but certainly not the least, appreciation is in order for the students across the batches who have upheld the qualities and values the Institute proclaims and simultaneously ensuring culmination of the smooth and flawless placement season.
